

Number of interactions for Infant

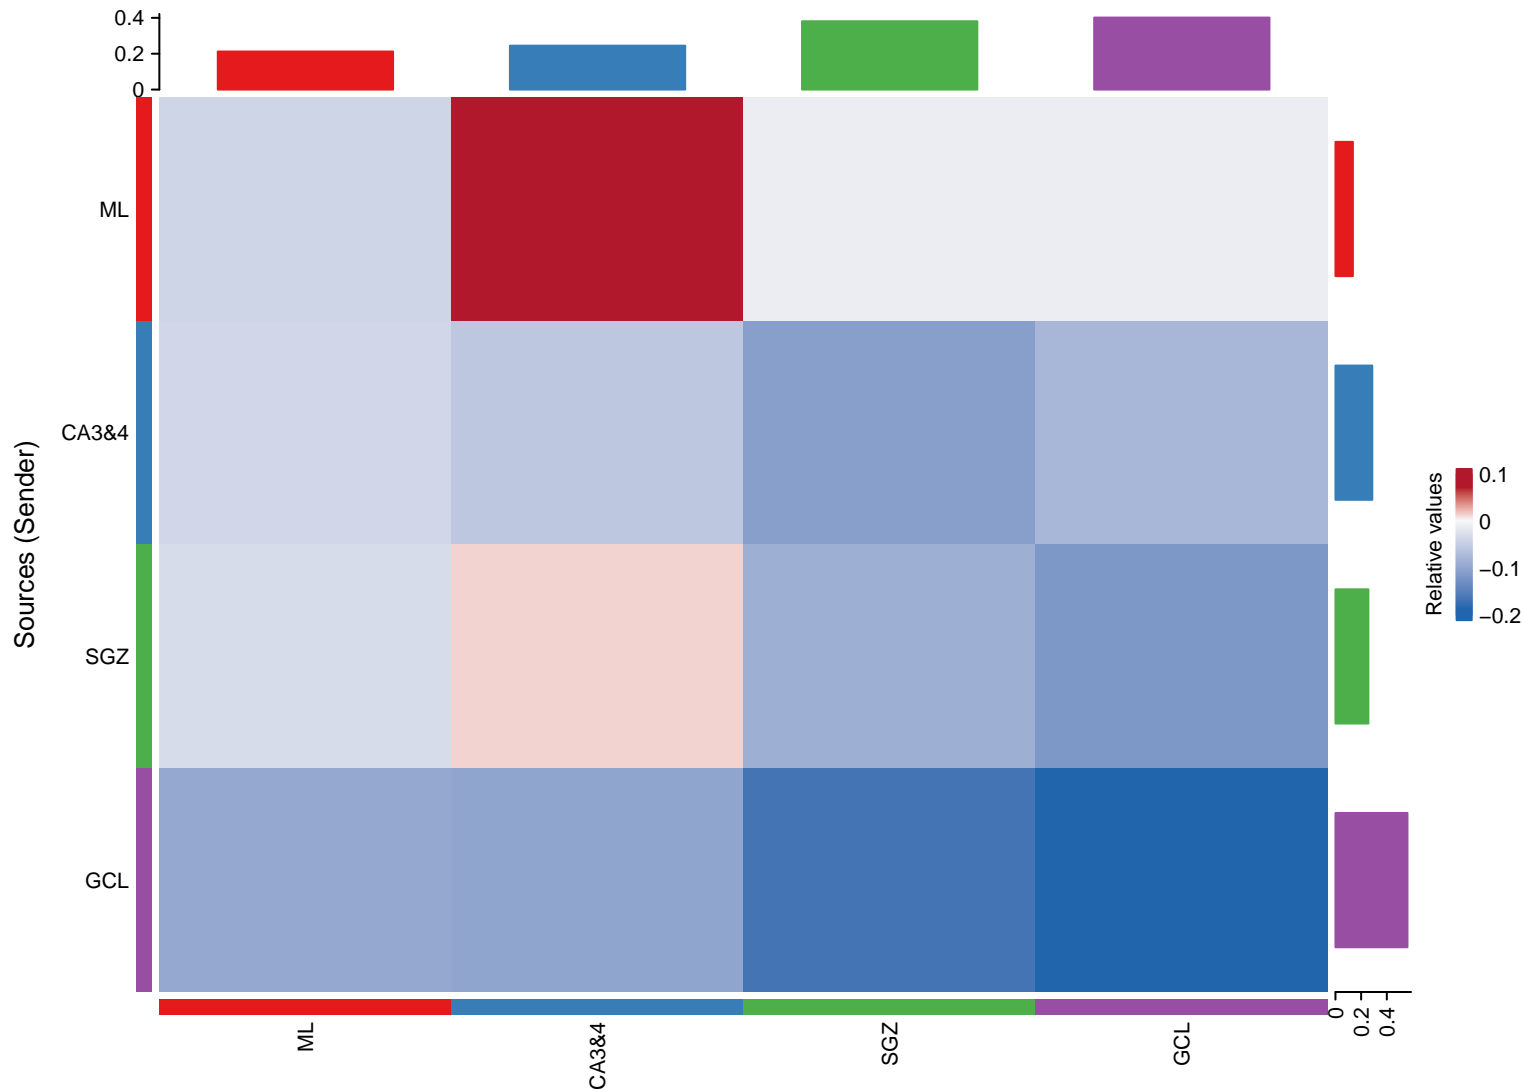

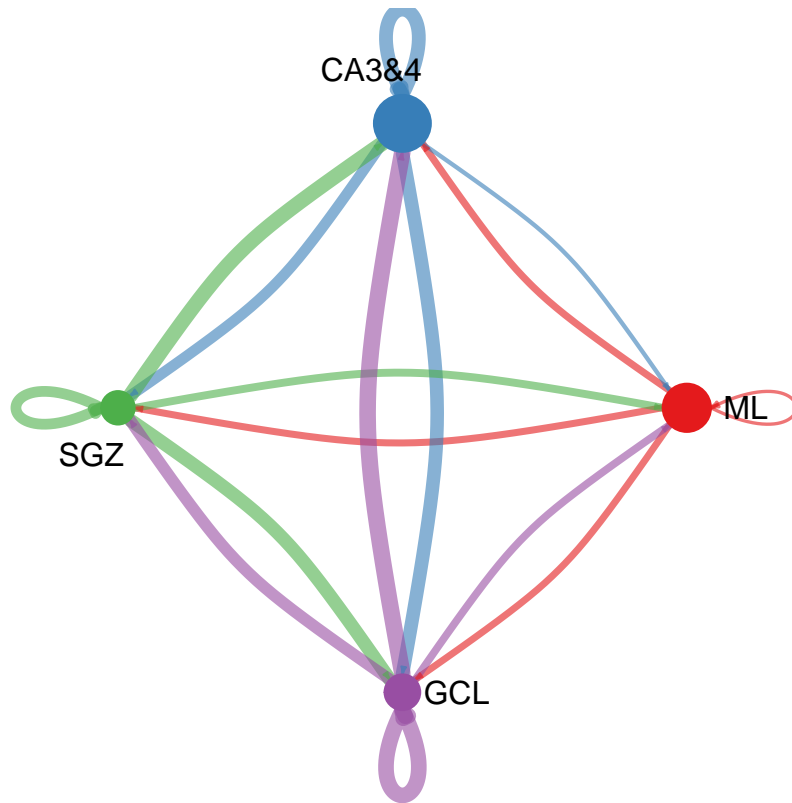

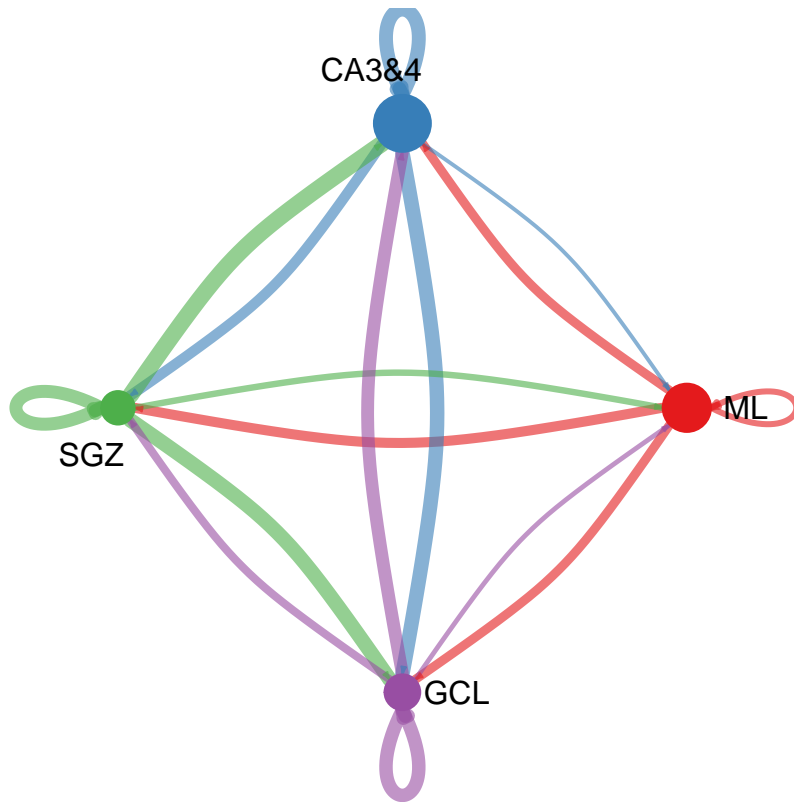

Change in number of interactions for Infant vs. Non-Infant

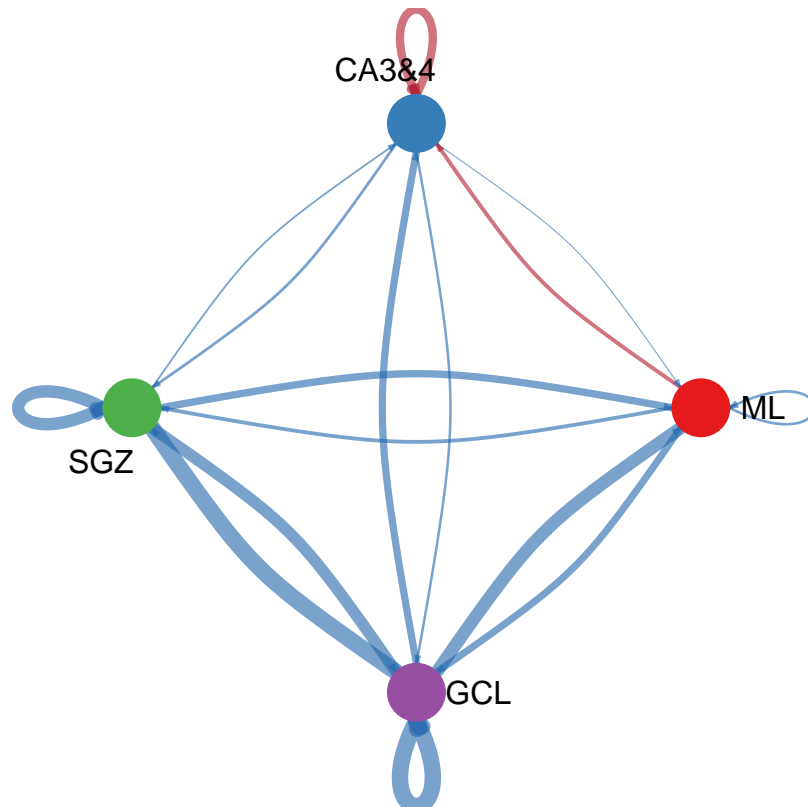

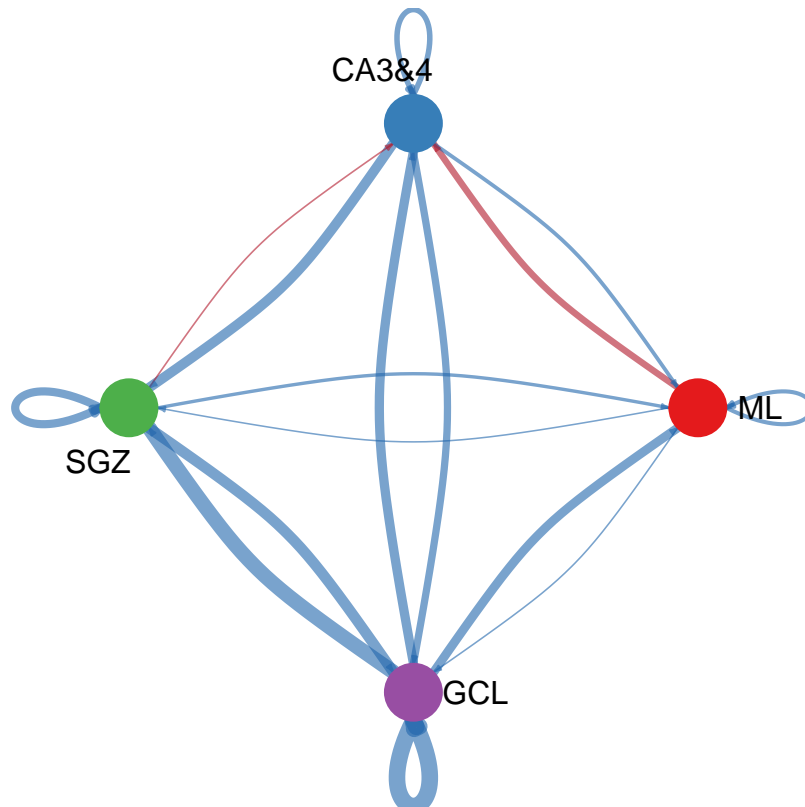

Change in interaction weights/strength for Infant vs. Non-Infant

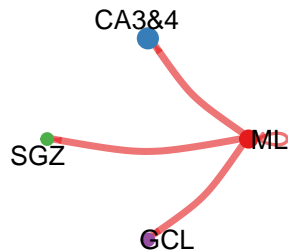

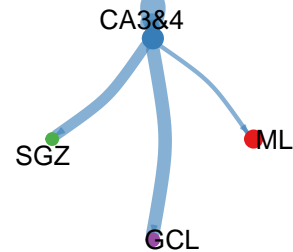

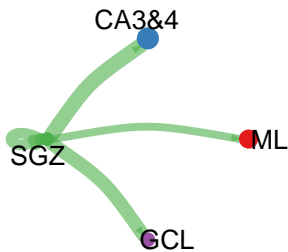

Number of interactions for cluster #ML

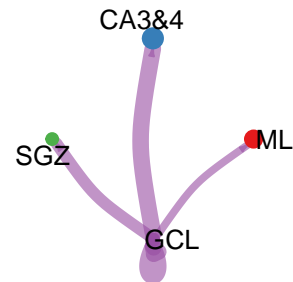

Number of interactions for cluster #CA3&4

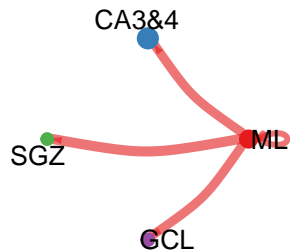

Number of interactions for cluster #SGZ

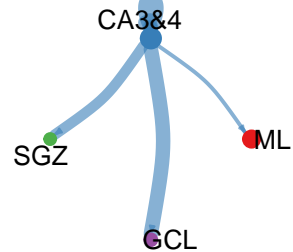

Number of interactions for cluster #GCL

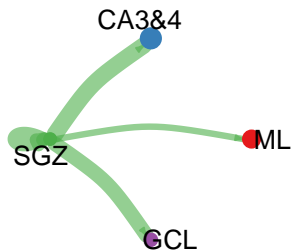

Strength of interactions for cluster #ML

Strength of interactions for cluster #CA3&4

Strength of interactions for cluster #SGZ

Strength of interactions for cluster #GCL
